3. Purpose

The purpose of the Community Wellness Subcommittee is to:

- a. Identify, prioritize, and communicate specific needs around issues of health, community wellness, and supporting children and families;
- b. Provide members , general support, and recommendations to the Children and Families Bilateral Working Group with the Province of BC;
- c. Identify and recommend potential projects; and
- d. Provide support to community wellness-related projects

4. Links to Other Committees

See attached diagram.

5. Communications

See attached diagram.

6. Work Plan and Priorities

- a. Identify SXTA needs/wants regarding community wellness to provide the Chief Negotiator to inform Main Table negotiations.
- b. Establish process(es) to provide political advocacy on current children and family initiatives and issues – do not want to wait until after Treaty implementation to start this work.
- c. Identify training needs and possibilities on community wellness-related topics; example, violence prevention.
- d. Identify funding opportunities for community wellness-related initiatives that can be applied for and implemented as a treaty group.
Ex) Commitments Stick.

7. Research Needs

- a. On-going scan of children and families- and community wellness-related initiatives in which Treaty group may want to become involved.
- b. Collective funding opportunities.
